Notes about the admission categories:

1. **New graduate student.** A student who receives a baccalaureate degree from UNT and is admitted to UNT graduate school is coded as a new graduate student, as are students coming from other institutions. The same applies to one who receives a master's degree from UNT and is admitted to a doctoral program. Only students coded as graduate students are included in this report.
2. **Returning former student.** A student who drops out for one year or more must file an application for admission in order to return; such a student is coded as a former student.
3. **Continuing student.** Students who continue to be enrolled without needing to file a new application for admission are counted as continuing students.
